

looking at putting on a read-a-thon next year. We are looking to put it together by ourselves instead of using a company to help facilitate. If you are interested in helping put it together, please let me know. In turn, this would have us promote the District run in February to appeal to those families who choose to do something active and is a community event. General discussion about possibly creating a color run just for the 6th graders.

o Fundraising Brainstorm Update - Michelle Kass

We do have some money that are comfortable spending on the school. We have held two different brainstorming meetings to discuss ideas, many of which came out of the Site Council meeting. We have about \$50,000 that we are looking to spend on the school in general. A survey was sent to parents, student council, and teachers. The results show that improvements to the playground received the most feedback. PowerPoint presentation and discussion. We are still in the investigation period to see where the best use of our money can go, and that all improvements are district-approved.

o 2017-18 PTO Elections – Process & Timeline - Bianca Cords

I sent the org chart to our board & committees. According to our bylaws, all positions in gray need to be voted on and are 2 year commitments. Once spot that is open is School Spirit & Events. If you are in one of these elected positions and do not want to continue for your second year, please let me know. Otherwise, I will assume you are staying. The one position that needs to be elected is the President-Elect and we will be moving forward. The timeline is that all information will be gathered and presented at the April meeting. If we only have one candidate, we can vote as a slate. If we have more than one, we will have a one-week voting period before the May meeting. All of this information will be communicated to the entire school. If you are currently chairing and do not wish to continue, please let me know.

o 2017-18 Budget Process & Timeline - Michelle Jaleeli

Most chairs received emails from me regarding next year budget requests. We are being conservative with our budget next year considering the change in fundraisers. I March Exec, we will review the first draft, in April it will be presented at the PTO meeting. It will be finalized and approved in May. If you have any information or feedback for the budget, please let me know.
